

# School Connect Activity Report

## Date: 18/01/2024

By

Prof. Anamika V. Kadam,

Department of Physics, The Institute of Science,  
Dr. Homi Bhabha State University, Fort, Mumbai-32

## **School connect activity Report**

- ❖ School Connect Campaigning on 18/01/2024, visited 2 Junior colleges viz. Mumbai Junior College, Wadala, and NKES Junior College, Dadar.
- ❖ Here, I have presented the importance of NEP 2020 to students alongwith its history, how government is planning to implement it, advantages of NEP to students, how students can utilize the potential of NEP for making their future in higher education etc.
- ❖ Some glimpses are given below with the data collection report of nearly 200 students.
