

Mrs. Swati Dinkar Vilhekar

M.Sc. D. Ed., NET

Assistant Professor in Chemistry

swati.vilhekar1984@gmail.com

(a) Research interest: Nanomaterials

(b) Activities :

- Worked as a member of organising committee at National Seminar at Institute of Science Mumbai
- Attended the National Educational Conference on spirituality at Mumbai university
- Attended the national conference at Nagpur University
- Working as a member of Philosophical Association & NSS committees
- Completed Yashada's training program

(c) Topics Taught:

Electrochemistry, Kinetics, Polymers, Surfactant, Photochemistry, Nuclear Chemistry, Colligative properties, Thermodynamics, Magnetic Properties
