

School Connect Campaign Visit Report

Date: 17/01/2024

Detailed report on the School Connect Campaign visit conducted at Sheth J N PALIWALA COMMERCE COLLEGE, encompassing both the Science and Arts colleges, as well as the Junior College in Pali. The visit took place on 17/01/2024.

The primary objective of the School Connect Campaign visit was to sensitize the students from class 12 and third year of graduation about NEP-2020.

We, Dr. S.B.Kulkarni, Director, The Institute of Science, Mumbai along with Dr. Ajay Choudhari, Professor, The Institute of Science, Mumbai and Dr. Vishal Banewar, Director, IQAC, Dr. Homi Bhabha State University, Mumbai was present for this campaign.

Upon arrival, our team was warmly welcomed by the faculty and staff of Sheth J N Paliwala Arts, Commerce and Science College. We had the opportunity to interact with students from various departments and classes. This session provided valuable insights into their academic interests, career aspirations, and any challenges they may be facing in view of NEP-2020.

Meetings were held with the faculty members to discuss positive potential of NEP-2020 and its impact on education in Maharashtra.

Our team conducted informative presentations on Multidisciplinary Curriculum structure prepared by our university in line with NEP-2020, innovative professional, and skill-based courses, explain the grading method in the evaluation and the salinity it brings, gave ideas about opportunities for free distance education to the students who have left the education system to support the family and turn to employment and many verticals of NEP-2020. These sessions were aimed to provide students with additional knowledge and skills, aligning with the objectives of the School Connect Campaign.

Open discussions were encouraged, and feedback was gathered from both students and faculty. This feedback will be crucial in knowing about their understanding of NEP-2020.

The School Connect Campaign visit at Sheth J N PALIWALA COMMERCE COLLEGE was a positive and fruitful experience.
